CATHOLIC SCHOOLS WEEK

To mark Catholic Schools Week, Loreto students, principal, members of staff and parents joined the parish community at the 6.30pm Mass on Saturday the 30th January. We celebrated the contribution made by the Catholic Church to the provision of education not only in Ireland but all over the world and the service given by priests, nuns and lay people ever before the state was in a position to provide even basic education. The coming together of parents, the school and parish community for this special celebration underlines the important partnership and solidarity that exist with home, school and parish.
